DETAILED ACTION
EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims

Cancel claims 16-39.

Allowable Subject Matter

The argument in the response to the non-final rejection is persuasive and the non-final rejection of previous office action is withdrawn. Claims 1-4, 6-10, 12-15, and 40 are allowed. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest either in singularly or in combination the following limitations and other elements in the claims:

References Chang et al. (US 6,004,829), Enomoto (US 5,506,159), Fastow et al. (US 6,294,430), and Prall et al. (US 6,406,959) do not disclose:

- A bird's beak structure is formed of a thermal oxide film at an interface of the tunnel insulating film and the floating gate electrode, the bird's beak structure

penetrating into the floating gate electrode along the interface from the sidewall faces of the floating gate electrode, where the bird's beak structure is the same thermal oxide film as protective insulating film, where the protective insulating film continuously covers sidewall faces and a top surface of the multi-layer gate electrode structure, where the protective insulating film covers the multi-layer gate electrode uniformly and sidewalls are formed over the protective insulating film.

Therefore, the above references do not disclose the claimed invention of present application and claims 1-4, 6-10, 12-15, and 40 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Wai-Sing Louie whose telephone number is 571-272-1709. The examiner can normally be reached on 7:30 to 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on 571-272-1705. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
